

Klub XXXL Praha is community of people with overweight. It is not just for people having overweight (women from 90 kg, men from 120 kg — category of members) but also for people having ordinary weight and having liking for "rounds" (category of supporters). Klub XXXL Praha is a company of people with overweight, that is opened for everyone, who has overweight (women from 90 Kg, men from 120 Kg - category of members), or has ordinary weight and sympathises with "round people" (category of "followers").

Klub XXXL Praha organises monthly meetings in Prague, where the activities are arranged. We go for trips, attend country music clubs, concerts of popular musicians and singers, but also Vlachovka (brass music). We arrange trips with travel agency CLIMAT (Dělnická 71, Praha 7) and go for shopping for extra large clothes.

The memmers have in some of the shops with extra large clothes special discount. Quarterly we publish magazine Hrošík ("little hypopotamus"). There are published interesting articles about the problems with overweight, but also humour, schedule of activities, addresses of shops with extra large clothes and
